

Whole Body Anti-Inflammatory Support

- Comprehensive Phase 2 Hepatic Detoxification
- Gastrointestinal Restoration and Elimination Support
- 26g Rice Protein

Pro InflaMed™ is a functional food with hypoallergenic rice protein, providing whole body anti-inflammatory support including the intestinal tract, skin, and joints. Additionally, Pro InflaMed™ provides comprehensive Phase 2 hepatic detoxification along with gastrointestinal restoration and elimination support. The specially processed rice protein in this formula provides a full complement of essential and nonessential amino acids, including the sulfur-containing amino acids cysteine and methionine. In addition, it also has the potential to bind heavy metals such as mercury and cadmium. This formula is ideal for patients needing support with liver detoxification, GI health, inflammation, immune issues, gut inflammatory issues, and heavy metal detoxification. For more information on this and other NuMedica™ quality formulas call toll free 866-787-5175 or visit us on the Web at www.numedica.com
